Mr. Carl Allison
Harding College
Searcy, Arkansas

Dear Brother Allison:

The six boys I mentioned to you earlier in the season as prospects for Harding College are planning to visit the campus on Thursday and Friday, November 28 and 29. The plans call for this group to arrive in Searcy Thursday morning and to spend Thursday night and possibly Friday night on the campus. In an earlier letter you mentioned the possibility of providing a place to stay and meals for these young men while visiting on the campus. We know that this is the week of the Harding Lectureship but would like to know if it is possible for them to come under the arrangements you mentioned at that time.

It now appears that several of these boys are definitely interested in attending school at Harding. Wayne Harkins, a center, has already received a definite offer from Dartmouth and is being watched by the University of Tennessee and Georgia Tech. We do hope to interest him also in attending a Christian school. I will expect to hear from you in the immediate future and if arrangements can be made for this proposed visit I will then inform you of the number coming. At this point it seems safe to assume that the number will be from six to eight boys.

Fraternally yours,

John Allen Chalk
